

Hi welcome to **FlowLifeSkillz**
today we're talking about
how not to talk to your
Crush.

flow

Hey uh do you
uh like cheese?

...what

Obviously.

See here in figure 1,
your local idiot
sweating like a pig
over simply asking
his crush if she
likes a certain
kind of dairy.
off to a good start.

Another classic example: do not text or snap your crush all night & then proceed to ignore them at school.

UH... Angel?

Woosh

If you do finally work up the courage to have an actual conversation, do not act like you're too cool for the conversation.

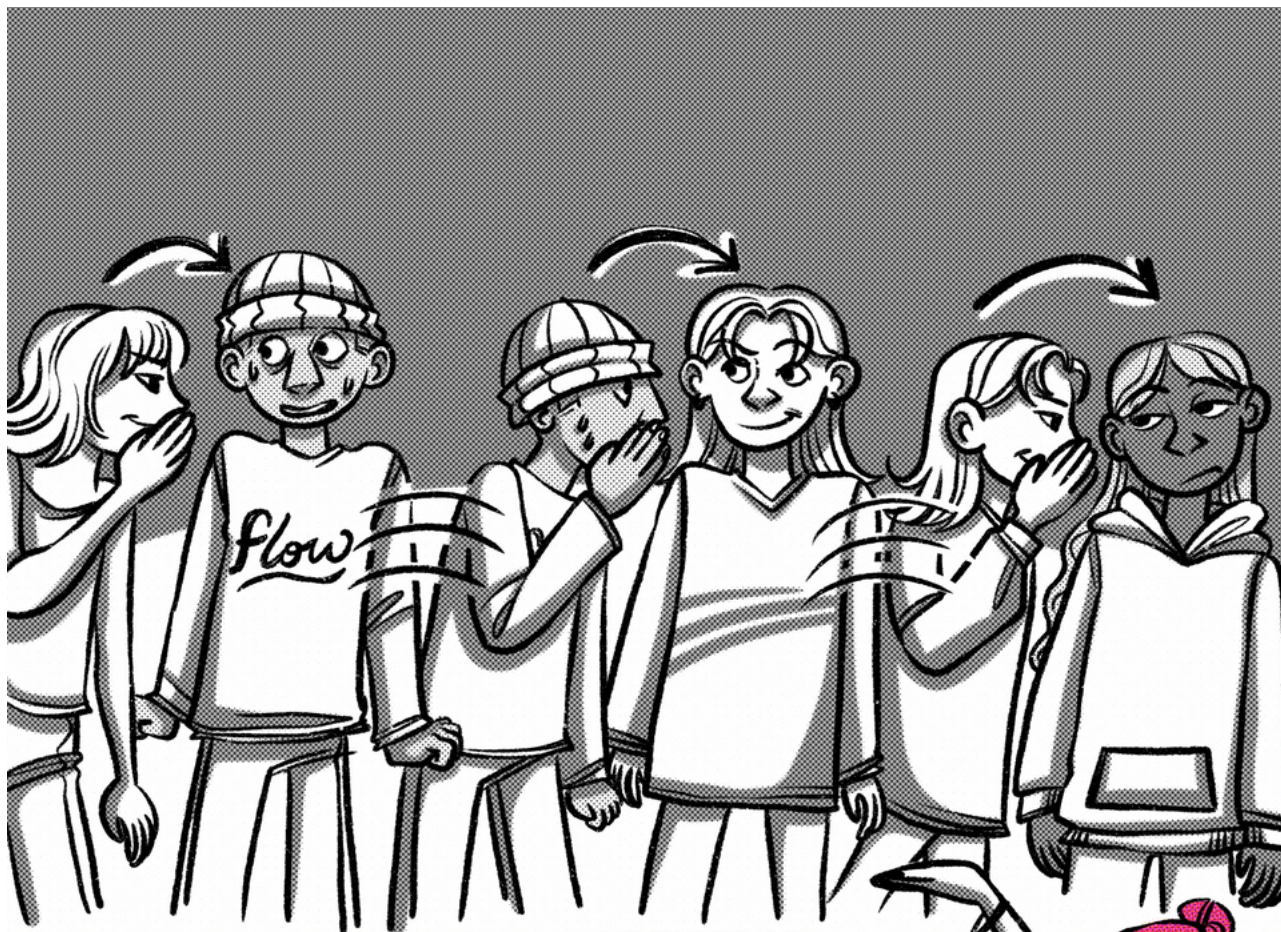

How was your da—

YEAH YEAH YEAH
WHATEVER CHICK, I'VE
GOT PLACES TO BE.

Alrighty
then.

So literally the
opposite of that?

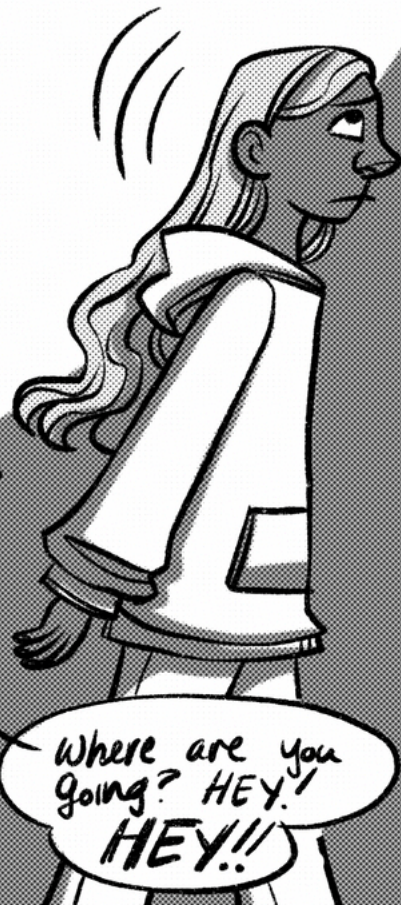

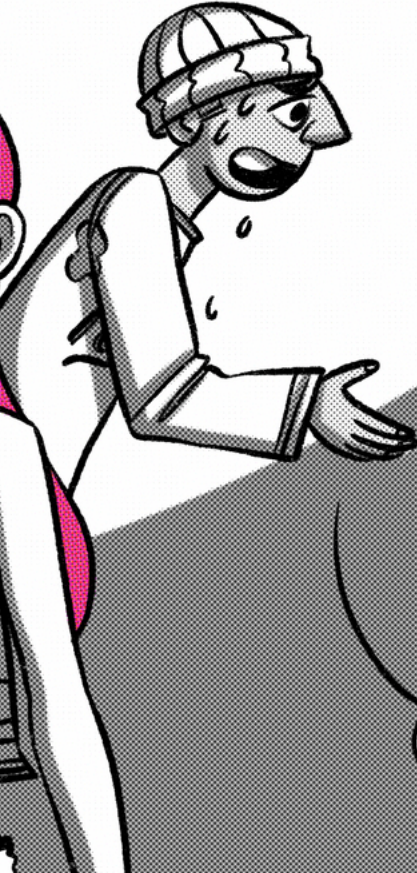

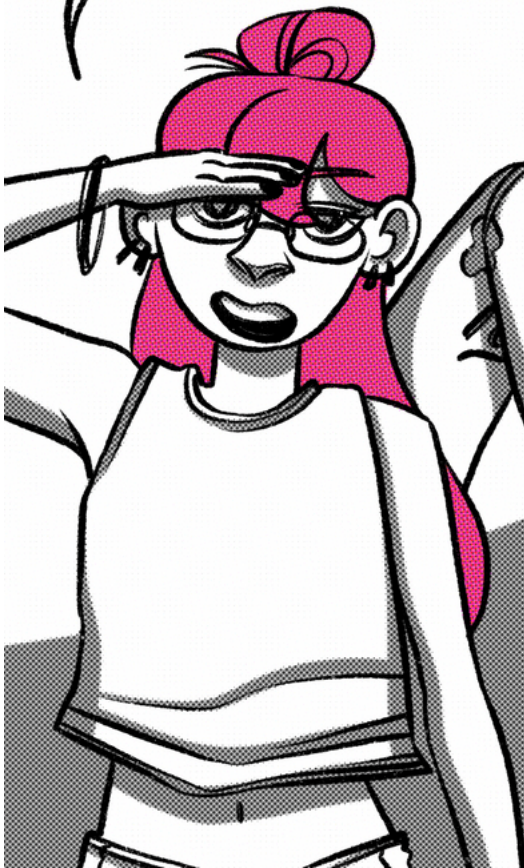

Also, don't do that stupid thing where you refuse to directly talk to them, only through their friends + yours. Like why.

But ya, if you do all of these things, you're probably beyond my help. Good luck, soldier.

Where are you going? HEY!
HEY!!
