

flow

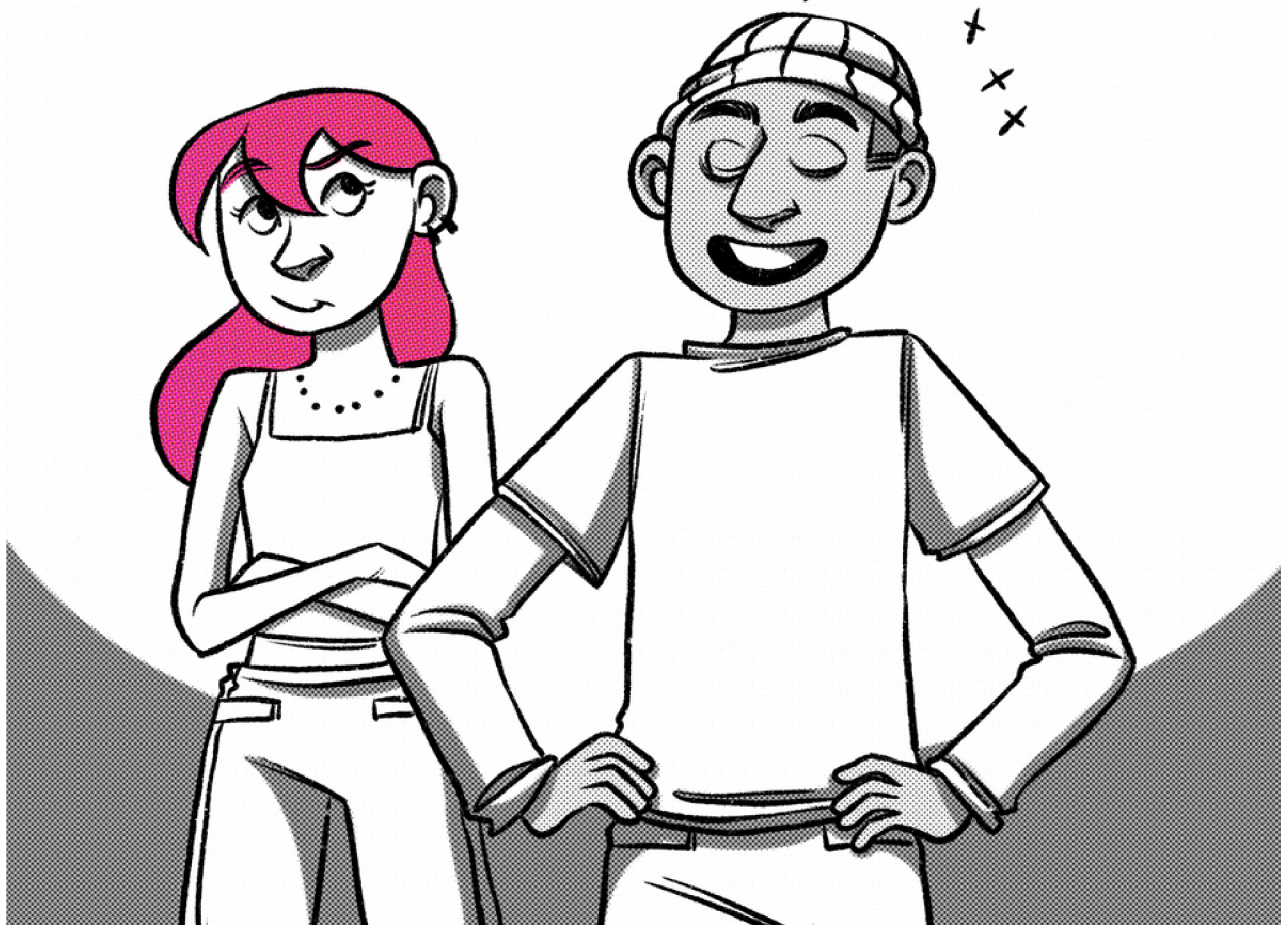

Talking to girls:
nearly impossible,
right? Not after
today, baby.
I'm Angel, welcome
to **FLOW**
LIFE SKILLZ!

See, usually the most important thing is the opener line. Girls love a good line.

For example, I like to walk
up & say: "how much does
a polar bear weigh?"

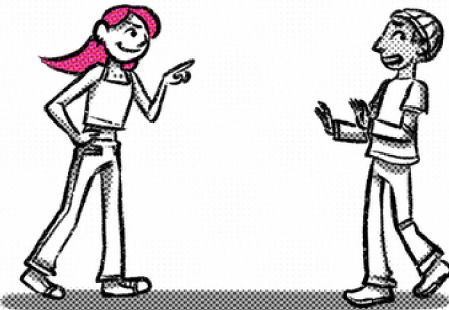

"Just enough to
break the ice"—

AH!

No, no, keep
going. Don't let
me stop you.

Heyyy Maggy!
Uh, I was just-

You were just nothing!
What do you even
MEAN how to talk
to girls? Girls are
just people, dude!

... Did I make
it weird?

Yeah. You made
it weird.

Just know that if you ever hijack my segment again, I will kill you ♡

girls are
scary, man
