Who am I?

For a society that's pretty obsessed
with identity + the idea of
being an individual...

... It sure can be hard to
answer that question.

It feels like early
in your life, you're
expected to know
everything about
yourself, from
your favorite color
to what you want
to do with the
rest of your life.

If you actually feel like you know yourself pretty well, awesome. But it's ok to try things on to see if they fit!

UUUH...
MAYBE NOT.

"Maybe I would like this kind of music!"

"Maybe I wanna dress like this!"

"Maybe this is a hobby I'd be good at!"

You're like Michelangelo, slowly chipping away at the masterpiece you are.
